

IN MEMORY OF

Bali "Jeanne" Wray

July 30, 1953 ~ December 27, 2022

Jeanne Wray, of Crestview, Florida passed away peacefully on December 27, 2022, after a long and courageous battle with cancer.

She began her academic career by achieving Valedictorian in 8th grade at Grand Ledge Elementary school. Attending Georgia Cumberland Academy high school, Jeanne then attended Southern Missionary College for Nursing and was a dedicated nurse in the Cardiac Intensive Care Unit at Florida Hospital for over twenty years; before graduating Summa Cum Laude with her Masters degree for Advanced Registered Nurse Practitioner (ARNP) at University of Central Florida. She was highly respected by her peers and loved by her patients.

Jeanne was a devoted member of the Seventh Day Adventist Church.

She enjoyed playing the piano and singing in harmony for her church congregation and was known for her involvement on the church board, and participation in church functions and activities, including feeding the homeless.

Jeanne was diagnosed with breast cancer two and a half years ago. Despite her valiant fight, she was unable to beat the disease. Jeanne's strong Christian faith remained with her until she took her last breath.

Remembered for her warm smile and her commitment to her family and church, Jeanne thoroughly enjoyed being a grandmother; it was one of her most rewarding roles. She was selfless, cheerful and the life of the party, and will be deeply missed by all who knew her. Our memories of Jeanne will forever remain in our hearts. Love you bunches!

Jeanne is a beloved wife to Lacy Wray; mother to Summer Mendez; stepmother to Everett Wray, Michelle Blackwell, and Tracy Allen; sister to Jana Thurber, Vonnie Wamack, and Karis Boling; phenomenal grandmother to Lauren Scoggins, Logan Wray, Lindsey Mampaka, Landon Wray, Luke Wray, Brooke Gray, Sara Wease, Emma Keltner, Katie Allen, Kenzie Allen, Alexander Mendez, and Austin Mendez; and great grandmother to several grandchildren
